Document n. 1.7

From: the Stewards

Date: 01/08/2026

To: all Competitors

Time: 10:41

The Stewards on 26/7/2026 gave the Technical Delegate (Bulletin n. 6) a mandate to check the left-front upright assy, in particular the conformity of the wheel bearing. The following cars have been selected post-session scrutineering:

Sammalisto Luka, 7, US Racing
Maccagnani Niccolò, 19, Prema Racing
Craigie Kenzo, 34, R-ACE GP

The scrutineering was duly carried out on 30 July 2026 at the presence of the relevant Competitors. Following the completion of the checks, all of the above-listed cars were found to be in conformity with the applicable technical regulations, as per the Technical Delegate's report.

As there are no amendments to be made to the provisional classification already published on the Official Notice Board, and considering the outcome of the scrutineering together with the absence of any protests and/or appeals, the classification of R4 is hereby declared final and published.
