The Clerk heard evidence from the following persons:

Driver and Co Driver of Car 10
Ian Jackson, Deputy Clerk of the Course
Craig Parry, Tracking Officer

The Clerks decision is:

No further action

Reason(s) for this decision:

The Deputy Clerk of the Course reported that no OK board was left at the scene of the incident, and after checking with the Tracking Officer, that the tracker hadn't sent an OK signal.

The crew explained that they had been involved in a substantial accident, with the car leaving the road at roughly 90mph and were both shaken following this. The driver informed us that he had pressed the OK button on the tracker and believed that signal had been sent and also attempted to find the OK/SOS board but due to extensive damage sustained during the crash was unable to do so.

The crew were then taken from the scene of the incident to meet their service crew at the end of the stage.

We believe the crew did everything they could to inform Rally Control & warn all following cars of their accident.
