STEELWELD FABRICATION

Local Fabrication Specialist

Steelweld Fabrication are based in Landsdale with a 4000 sqm facility focused on delivering reliable and quality steel fabrication services. In business since 2015, Managing Director Gary Mills has over 30 years' trade qualified experience in mining, commercial and domestic fabrication services.

With capabilities to fabricate structural steel, commercial buildings, architectural façades and staircases, mezzanine flooring, handrails as well as onsite welding and installation. Steelweld offer both supply and installation service options for clients in any location. A fully qualified and experienced team of over 20, trained thoroughly on the most current safety and quality practices, ensure smooth and hassle-free service to each clients satisfaction.

Offering in-house drafting services, Steelweld assure a safe and quality compliant approach to every project scope. With solution centred focus, you can be confident your project will be delivered safely and on-time through Steelweld. As an architect preferred supplier for projects for WAPOL and high-level security facilities, Steelweld are the trusted choice for delivering high quality projects, whilst maintaining client confidentiality.

DOUBLE GLAZING CONVERSION SOLUTION

Innovation, Not Renovation.

Comfort Glaze converts your existing single-pane windows to double glazing without the mess, waste, and costs of traditional replacement.
A proud Perth-born innovation, built to perform in WA conditions.

THE OLD WAY

Double Glazing Renovation

- ✗ **High Disruption**
Days of worksite debris, dust, open walls, and construction noise.
- ✗ **Hidden Costs**
Requires plastering, painting, and fixing damages caused by the window rip out.
- ✗ **Massive Waste**
Perfectly functional aluminium frames are ripped out and sent straight to landfill.

THE SMART WAY

Comfort Glaze Conversion

- ✓ **1-Hour Installation**
Clean and precise technical install taking approximately one hour per window.
- ✓ **Cost-Effective**
Significant savings on capital outlay with absolutely zero hidden finishing costs.
- ✓ **Sustainable Process**
We use your existing frames, upgrading the tech while minimising environmental impact.

Tailored Solutions, Not Generic Glass.

The biggest misconception is that double glazing is one-size-fits-all. We engineer four distinct solutions designed to solve your specific home frustrations.

thermal

WINTER BLANKET

Prevents wasteful winter heat loss, effectively lowering heating bills.

solar

HEAT SHIELD

Engineered with high-performance Low-E coatings to block harsh summer heat.

whisper

PEACEFUL SANCTUARY

Utilises acoustic laminated glass and precise air gaps to cut out traffic, neighbour, and aircraft noise.

sanctuary

PRIVACY GUARD

Obscured privacy glass that allows abundant natural light while keeping prying eyes out.

Ready to Convert to Double Glazing? Call (08) 6170 5050 Today.

Start with a free assessment and upgrade to double glazing with your single-glazed window frames.

DIREZZA

NEW DUNLOP DIREZZA 88-R

DUNLOP Rally Tyres are considered by many to be the best available, having won International, National and State Rally Championships on many occasions.

The DZ88R is our newest and best forest tyre, having improved over many generations.

The DZ88R was released early in 2019, and won the first 2 rounds of the NSW Rally Championship, and the first round of the Victorian Rally Championship on debut.

The tyres are sold in Left and Right configurations, but can be used in all positions.

Also available are DUNLOP Rally Tubes, which are high quality tubes, made only from natural rubber with metal valve stem and fittings.

WA Rally Championship Sponsor and Dunlop Distributor Perth Motorsport Tyres have an extensive range of Dunlop Rally Tyres available for your car.

2. ENTRIES

Entries may only be made by using the WOLF online entry system at <https://app.wolfacility.com/event/comfort-glaze-warren-river-ral>

Competitors unable to access the online entry form are to contact the Entries Secretary. Payment is to be by Credit Card or EFT, as directed on the entry form. Entries will only be accepted when the Competitor, Driver and Co-Driver/Navigator have been nominated on the entry form and payment has been made in full.

Crew members must hold a minimum of a Motorsport Australia Rally (Drivers/CoDrivers), or a Rally Navigator (CoDrivers) competition licence.

All entries MUST include an electronic copy of all required documentation as listed in the WARC Sporting and Technical Regulations and/or as directed on the entry form. The Motorsport Australia Risk Warning, Disclaimer and Indemnity document, the Motorsport Australia Statement of Vehicle & Crew Compliance document as well as any further documents required via the entry system must be acknowledged by the Competitor, Driver, Co-Driver/Navigator and Service Crew via the electronic requirements of the entry system.

Entries open upon publication of these Supplementary Regulations.

Entries close as per the EVENT PROGRAM.

2.1 Entry Fee

	WA Rally Championship WA 2WD Championship	Clubman
Base Entry Fee*	\$795	\$510
Motorsport Australia Fee	\$195	\$120
Rallysafe Fee (incl Timing)	\$185	\$185
RallyWA Fee	\$175	\$85
Total Entry Fee (inc GST)	\$1350	\$900

*Includes Ambulance, Ashendon First Intervention and Results Service fees

Payment options are included in the online entry system, including EFT or Credit Card.

Bank account details for sending an EFT are:

Account name	WA Car Club
BSB:	066516
Account Number	10892164
Reference:	Drivers Surname and either "WARC" or "Clubman"

The maximum number of entries will be 70, with entries accepted in order of receipt. Entries may be refused in accordance with the NCR.

As per the NCR the entry fee must be received in full BEFORE the close of entries. A full refund will only be issued when a competitor withdraws, in writing, from the event prior to the close of entries. A \$150 administration fee may apply to a withdrawal received after the close of entries.

3. Event Details

3.1 See **Event Program** for Dates and Times

3.2 See **Itinerary** for Distances.

3.3 The **Official Notice Board** will be located online at www.rallywa.com via the SPORTITY application (Password: WACC) and/or during Rally HQ opening hours at the RallyWA Results Van (see Event Program)

3.4 Rejoining

For all crews which re-join a time penalty will be applied as per MWARCS SSR F17.

3.5 Documentation and Scrutiny

Pre-event Documentation is to be submitted through the WOLF entry system prior to Metro Scrutiny & Documentation (see Event Program).

Scrutiny will be undertaken as per MWARCS SSR F5 Event Scrutiny (Selected).

Competitors not required for scrutiny will be able to collect their stickers and road books etc at Metro Scrutiny & Documentation as per the Event Program

Location and time of scrutiny and documentation are shown in the Event Program and a Bulletin showing the location and times for each car will be issued.

3.6 Apparel

All competitors in the Event must comply with the apparel requirements as per the "State" level Gravel / Tarmac Rally in *Schedule D – Apparel* of the Motorsport Australia Manual.

4. RALLYSAFE

4.1 Rallysafe is compulsory for ALL competitors. Rallysafe data is deemed to be a Judge of Fact in relation to vehicle speed and location.

4.2 All competitors are to have a full Rallysafe Fitting Kit installed prior to scrutiny and it **must be powered from a permanent power source**. Fitting kits are available directly from RallySafe <https://shop.statusas.com/shop/category/rallysafe/>

4.3 The RallySafe unit in each car must be fitted and "Powered on" PRIOR to the commencement of the Drivers Briefing

4.4 RallySafe "Tech Zone"

As per the Itinerary all cars must present to the Rally Safe Tech Zone (Club Road Service Exit) so that the RallySafe unit location, cables, connections, aerial position, power and connectivity can be inspected and checked.

4.5 If a "Push to Pass" is received on the Rally Safe unit, as soon as practical, you must safely allow the car following to pass. Failure to do so may result in a referral to the Stewards where an infringement may be applied.

5. AWARDS PRESENTATION

A provisional awards presentation will be held as per the Event Program immediately after the Event. Clubman Cup awards presentation will occur at the main event presentations. WARC awards presentation will occur after the last WARC crew finish.

There will be catering options provided to allow the purchase of food at the Sports Club. Further information of food options will be provided through a communique closer to the date.

6. SERVICING AND REFUELLING

6.1 The Service Park for the event will be located as per the attached map in the Pemberton Sports Club Car Park and on sections of Club Rd. See Service Park Map for approved areas and designated spots for teams.

6.2 Note that Service Park is **NOT** open for setup on Friday.

6.3 There is a minimum service area, only 1 service vehicle per competing car will be permitted in the Service Park. Any vehicle not required for servicing and all trailers are to be parked alongside the Service Park as shown on the Service Park map.

- 6.4 There will be refuel available at the exit of Service Park on Club Road. Shade will be provided at that area. Whilst refuelling service crews are to comply with the apparel requirements and to follow the directions of Rally Officials. **Due to liaison routes, no deviation to service stations will be permitted.**
- 6.5 There will be a remote refuel before the final stage, located immediately after the remote regroup.
- 6.6 Smoking (which includes e-cigarettes and “vaping”) and any naked flame is prohibited within 3 metres of any refuelling/refuelling operation.
- 6.7 Cars may only be washed by use of a sponge from a bucket. Where oils, solvents and degreasing fluids are used all residues must be securely contained and prevented from coming into contact with the ground. The use of pressure cleaners is prohibited. Breaches noted by an Official of the Rally will be reported to the Stewards with a recommendation that a fine be applied.
- 6.8 The entire service park is a designated “Non-smoking” area, which includes e-cigarettes and “vaping”.

7. RECONNAISSANCE

- 7.1 Reconnaissance time is flexible as per the schedule in the Event Program.
- 7.2 Crews may complete two (2) passes only of each stage.
- 7.3 An electronic copy of the Road Book (PDF) and RS Lite codes will be provided to competitors who have completed their entry form online (including accepting the Motorsport Australia Disclaimers) and have paid their entry fee.
- 7.4 Crews must inform WA Car Club by either email rally@wacarclub.com.au or SMS 0403 348 439 when they are completing their recce. Email / SMS is to include Competitor Number and Reconnaissance vehicle Make, Model, Colour and Registration Number
- 7.5 Competitors are reminded that all roads are open to the public and Forestry Product Commission, and to expect oncoming traffic. Road Rules must be adhered to at all times.
- 7.6 Note that Control Boards, Instruction Numbers, Caution Boards, Delineators, and other course markings may not be in position during Flexi Reconnaissance.
- 7.7 Complaints received regarding behaviour during reconnaissance will be treated with the utmost severity.

8. STAGE INFORMATION

All Stages are new for 2026 (except parts of Crowea). It is recommend crews use this information to complete flexi-recce to ensure enough time is allowed for accurate pace notes.

9. PERPETUAL TROPHIES

Thanks to BMG Autos and BJS Plastics, Warren River Rally in 2026 will introduce two new perpetual trophies into the WA Car Club. The inception of the Wandergarup Cup and “Australia Vs The World” Trophies will be presented as part of the awards presentation.

The Wandergarup Cup will be awarded to the Outright Winner of the Warren River Rally each year or award at the rally that replaces the Warren River Rally held in the same area. Wandergarup,

meaning “plenty of water”, is the traditional Bibbulmun/Pibelmen name for the Pemberton region and its surrounds.

“Australia Vs The World” Trophy is based on crew nationalities, where each year organisers will nominate a battling country to battle Australia in winning this award.

Teams to be filled will be determined by the organisers and declared in the event’s Supplementary Regulations (these regulations). This year will be Australia vs Ireland.

Crews must nominate on entry there selected country to represent. To represent a country at least one crew has to be from, born, of heritage or identify as part of that country.

Each team will consist of the same number of crews, the maximum number of crews will be determined by the lowest entries for a team. Teams will be selected by entry time of crews, earliest to last.

Crews will be awarded points for each stage, from 1st to 10th: 20, 17, 14, 10, 8, 6, 5, 4, 3, 2. Double points will be awarded on the PPT Power Stage

Points will be awarded based on **normalised** stage times utilising the crews seeding on entry of the event. Normalised times will be calculated with the formula:

Normalised Stage Time = Actual Stage Time x Seeding

For Example:

A stage time of 10:35.3 and a seeding of 0.8154 will be $10:35.3 \times 0.8154 = 8:38.0$

The trophy will be award to the team with the highest collection points over the event. The trophy will be retained by the WA Car Club on display at the Club Rooms with permission to be granted to be held elsewhere on application.

10. PROTEST

Protest must be lodged in accordance with the NCR.

11. INTEGRITY

Motorsport Australia’s National Integrity Framework and any associated policy (including the Australian Anti-Doping Policy. Motorsport Australia’s Illicit Drugs in Sport (Safety Testing) Policy, the Motorsport Australia Alcohol Policy), apply to any activity authorised by Motorsport Australia as published at www.motorsport.org.au.

Any Participant including the holder of a Motorsport Australia Licence (or a Licence issued by another ASN) may be tested for the presence of alcohol, any drug or other banned substance. In addition to any penalty imposed by Motorsport Australia, a further penalty/s may be applied by Sport Integrity Australia.

Consumption of alcohol in any Reserved Area is prohibited until all Competition is concluded each day.

12. GENERAL INFORMATION

Medical Facilities

Manjimup Hospital
1 Hospital Ave
Manjimup WA 6258
Ph: (08) 9772 5100

Fuel

Fuel is available from the below service stations during the day.

Refer to 6.4 regarding not deviating from liaison.

Please plan accordingly due to the remote location of Service Park and RallyHQ

- BP Pemberton (closes 1700hrs)
- Manjimup (including 24/7)

Food

A food and drinks are available on the main street of Pemberton. Please support the local businesses within the community. The rally is working with the Sports Club to have meals available to purchase for the evening and presentation

Camping

Camping will not be provided and is not permitted in the Service Park.
Please support the local caravan park which is located next to the sports club.

Fires

No fires are permitted at any location during the event.

Smoking

Warren River is located in natural forest and pine plantation which is at high-risk of bush fire, therefore utmost caution must be used at all times when extinguishing cigarettes and matches. It is preferred that you do not smoke at the rally.

Duty of Care

We all have a duty of care to each other, if you see something that is not safe or believe could be an issue, please advise the event organisers immediately.

Alcohol

The service park is a community area (public place) normal local and state laws apply regarding the consumption of alcohol.

Noise

Please be respectful of the people in the area at all times.

Rally Chaplain

Kim van Keule: 0421 211 066 www.sportschaplaincy.com.au

Provision of Officials

Competitors are reminded of Appendix 3 of the current MWARCS SSR. The Organisers ask that all competitors provide one person to act as an official on the Event. Prior Motorsport Australia accreditation is not required for road closure officials, they will be issued a trainee licence on the day. All duties, and responsibilities and authority that are applicable, will be fully explained and supported by documentation.
