Event: Mugello Racing Weekend
Date: 12-13 / October / 2024
Subject: Starting Procedure Masters Racing Legends Race 1
From: The Race Director (Max Braams)
To: All Competitors
CC: The Chairman of the Stewards

Please note that due to this morning's delays, we have a very tight schedule for the start of Race 1. We kindly ask all teams to leave the pitlane as soon as the pit exit opens and not to wait. Once the last car has exited, we will begin the 5-minute countdown and proceed quickly towards the start of the formation lap.

When the last car reaches the grid, the 3-minute board will be shown. Once all cars are in their correct grid positions, we will display the 2-minute board.

Once all engines are running, the 1-minute board will be shown, followed shortly by the formation lap.
