**Attachments:** N/A

#### Car Numbers:

Unfortunately, the box provided to record your car number is quite small. Please overwrite adjacent printed text to ensure your car number is clearly obvious on the timecard.

#### Timecard B and E:

Show an Incorrect Bogey Time for Stages 2 and 5

The correct Bogey time for SS2 and SS5 is 3 mins and 45 secs.

Correct Time = 3m 45secs

→

| Hand in this timecard at Passage Control.<br>The Onus is on the Competitor to transfer the Finish Time of SS2 to Timecard C. |                                                                                                            | Car Number         |

| TC 3A                                                                                                                        | <input type="text"/> | Timekeeper<br>Initials                         |
| <input type="text"/>                                                                                                         |                      |                                                |

TC 3B should be read as TC 3C and refers to **Service Out** time.

TC 3A should be read as TC 3B and refers to **Service In** time

TC 3A does not refer to any time control.
