MICHELIN PILOT SPORT PRO RALLY

PUSH IN FULL CONFIDENCE WITH THE **NEW MICHELIN PILOT** SPORT PRO RALLY

COMFORT ON ALL TYPES OF ASPHALT

Thanks to the development of a new type of rubber that quickly reaches the right operating temperature and a unique tread pattern, the tyre adapts to all types of surfaces to give you more grip.

IMMEDIATE CONFIDENCE

Featuring an innovative architecture, the tyre is incisive on corner entry as well as under braking and provides consistent lateral grip for easy handling.

MAXIMIZE YOUR PERFORMANCE

Follow the recommendations of the MICHELIN Track Connect application in real time to adapt your pressures and optimize you tyre use.
