THE RACE DIRECTOR CONCLUDES:

In the ISB Sporting Regulations 2026, there is no article that refers to warming up the tires during the Warm-Up and Formation lap.

DECISION RACE DIRECTOR:

Due to the safety of the participants and officials on the circuit, it is prohibited to warm up the tires (zig-zag) during the Warm-Up lap and every Formation lap. This decision applies to **ALL** classes. Violators will be penalized with an Official Warning that remains in effect for the entire event.

A second official warning (regardless of the reason) will result in a penalty of +5 seconds.
