FREE PRACTICE SESSIONS THURSDAY 13-08-2026

Please be aware that on the above-mentioned date, it is **mandatory** to use the correct race numbers on **all four sides** of your kart during practice. This is required to ensure proper operation of the **RFID noise monitoring system** at Karting Genk.

Furthermore, all are required to follow the instructions of the track marshals, the event organisation staff as well the employees of Karting Genk at all times.

Failure to comply with these instructions may result in exclusion from one or more practice sessions.

Thank you for your attention
