The Stewards, having received a final scrutineering report from the FIA Technical Delegate (Doc. 6.4), having considered the following matter, and after due deliberation, determine the following:

Facts: No fuel pipe was available in the vehicle #301 (to drain the fuel and to be able to check the minimum weight).

Offence: Breach of Art. 56.2.4 of the FIA 2026 Cross-Country Rally Sporting Regulations.

Decision: **To impose a fine of 500 EUROS on Competitor #301.**

In accordance with Article 12.8 FIA International Sporting Code, fines shall be paid within forty-eight hours of their notification by means of any mode of payment, electronic included (<https://fiafines.fia.com>). Any delay in making payment may entail suspension during the period a fine remains unpaid.

Reason: Art. 56.2.4 of the FIA 2026 Cross-Country Rally Sporting Regulations states:
"FIA priority drivers must carry on board the vehicle a fuel pipe with a cut-off device, for taking fuel samples. This pipe must be long enough to reach the ground outside the vehicle once connected."

The Stewards in this case consider that a penalty is necessary, taking into consideration that the driver has a Gold FIA-Priority status and a fine is appropriate in this case.

This decision is based on Art. 11.7.1 and Art. 12.4.1.c of the 2026 FIA International Sporting Code.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the 2026 FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits
