29. EISCUP

INTERCLUB

WELCOME IN INNSBRUCK!

Dear skaters, coaches, clubs, parents, and accompanying persons,
We are delighted to welcome you all to Innsbruck! To ensure a pleasant and well-organized event for everyone, please take note of the following important information:

EISCUP INTERCLUB

- Please follow the **signs and hall regulations** – they help us keep everything running smoothly.
- **Parents are not allowed** to enter the ladies' and men's changing rooms. There is a designated "**Parent-Child Changing Room**", which may be used only together with **mothers**.
- **Coaches** may enter their athletes' changing rooms only **with the permission of the athlete(s)** and other persons present, and should not stay inside for too long.
- The **small snack bar** on the way to the ice is reserved for athletes and coaches – perfect for a little energy boost before skating.
- Innsbruck's tap water is **excellent drinking water** – feel free to refill your bottles directly from the tap! It comes fresh from the mountains, chlorine-free and of outstanding quality.
- The **SportsBar upstairs** is open during the day, offering meals – and the **coffee** is excellent!
- The raffle (**Tombola**) takes place **downstairs**, with tickets sold upstairs. Skaters can redeem their prizes there at their convenience.
- **Luca Tonegutti** will be on-site taking photos and videos, which you can purchase as always in his usual high quality.

CUP OF INNSBRUCK ISU

- Parents and accompanying persons are **not permitted to enter the lower level** of the ice rink – access is restricted to accredited persons only.
- During **accreditation**, please present a **copy of your passport** and a copy of the national federation's release form (clearance), so we can confirm that the athletes are officially representing their registered country.
- The changing room setup will be as follows: 1x Ladies, 1x Men, 1x Rest Room (located downstairs near the changing rooms)
- In this **rest room**, tea and small snacks will be available for the athletes to refresh themselves.
- Once again, Innsbruck's **tap water is safe and delicious to drink** – please refill your bottles and enjoy our high-quality mountain water!

We wish all participants the best of luck, wonderful performances, and an unforgettable time here in Innsbruck! Warm regards,

The Innsbruck Eiscup Organizing Team

INFORMATION ON THE AWARD CEREMONIES

The award ceremonies will take place

15 to 20 minutes

after each category in the upstairs area (marked zone).

If boys and girls compete in the same category, the ceremony will – unless otherwise announced – be held together after the last female skater.

CUP OF INNSBRUCK

PHOTO & VIDEO NOTICE

We love capturing the wonderful moments that happen during our figure skating trainings, shows, and events!

From time to time, photos and videos may be taken by our team to share the joy of skating and the achievements of our athletes on our social media channels (like Instagram & Facebook)

By joining our activities, you agree that such photos and videos may be shared, unless you let us know otherwise.

Thank you very much for your cooperation and for helping us share the beauty of figure skating with our community! 🙌

FRIENDLY REMINDER - Holiday Magic in Innsbruck!

Good news — the Innsbruck Christmas Market opens on November 15! ✨

Nestled right in the heart of the old town, beneath the famous Golden Roof, this market is one of the most enchanting in all of Austria. You'll find beautifully decorated stalls selling handmade crafts, ornaments, and delicious treats like roasted chestnuts, Kiachl (traditional doughnuts with cranberry jam), and, of course, steaming cups of mulled wine and hot chocolate.

It's a perfect way to get into the Christmas spirit! 🧑‍🎄
