Refuel Bay Instructions

REFUEL AREA – IMPORTANT INFORMATION

Dear Competitors,

Please take note of the following arrangements regarding the **Refuel Area**.

There are a total of **6 numbered refuel bays (1–6)**, together with **2 additional bays, A and B**, which are specifically designated for multi-service providers.

Multi-Service Providers

Bays A and B are reserved exclusively for **multi-service providers managing four (4) or more competing cars**.

If you are a multi-service provider meeting this requirement, please proceed directly to **Bay A or Bay B**.

All other competitors should use the **numbered refuel bays 1–6** as directed.

Please ensure that all instructions from officials within the Refuel Area are followed at all times.

The Refuel Area Layout Plan is shown below, and the relevant Refuel Regulations are available on Sportity (the Official Notice Board).

Thank you for your cooperation.
