Refuel Commercial Filling Stations

Dear Competitors,

Please note the following **Commercial Filling Station options** available during the event: Competitors must fill in the RF1 form below for the commercial filling station option.

Saturday – Killurn Service Station

Located at **9.70 km in the Roadbook – Page 18, Tulip 1.**

Sunday – Boggans Filling Station

Located **across from Wexford Racecourse.**

Preferred Refuelling Option

The preferred option is for all fuel to be dispensed **within the designated Refuel Area**, using either:

- **Self-refuelling, or**
- **An approved refuelling rig/system.**

Competitors and service crews should ensure they are fully prepared and have the necessary equipment and fuel arrangements in place before the event.

The **Refuel Area Layout Plan** is **provided below**, and the relevant **refuelling regulations** are **available on Sportity**.

Please ensure that all team members involved in refuelling are familiar with the requirements and follow the instructions of event officials at all times.

Yours in Motorsport,

Graham Scallan

Drivers Name

Car Number

Lic Number

Fuel Type

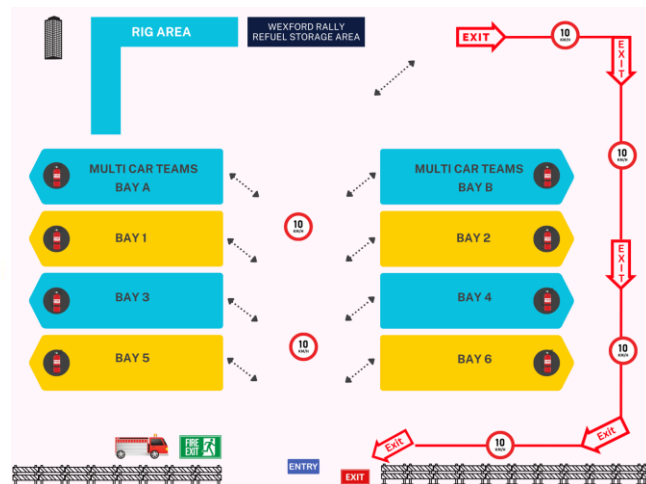

I will be using a Commercial Filling Station

If commercial pump fuel is being used, please provide the name and location of the commercial filling station.
