17. The official signboard:

The official signboard is located in the Rally Center De Graankorrel and digitally via the **Sportity APP**. All race information for the participants of the Rally of Wervik will be distributed via the Sportity app.

- Sportity app keeps all information about the Rally of Wervik directly available on your phone or tablet.
- Push notifications will keep you informed as soon as new information is published.
- All information is available offline.
- We will quickly communicate any changes to all participants via the Sportity app.

Sportity app is extremely easy to use. Download the app for FREE, enter the password **SCUDERIA-VERVICA** and all the necessary information is immediately available.

22. Service:

The places will be indicated by the organization, on the road there must be a passage of 4 meters for the emergency services. Those who do not follow the guidelines of the person in charge will disappear from the race without returning your registration. Images will be taken of the service area, which can be used to hold you liable if your team does not clean up the place and just leaves.

23. Special stage/restart

One (1) restart will be allowed during the race.

24. Refuelling:

Refueling is only possible at the indicated pump along the connecting road. TOYOTA Claeys Wervik Hoogweg 24 Q8 pump. There is a demarcated zone for those who bring their own fuel, but the precautionary measures as described in the U.S.A.S. regulations apply. This zone will be indicated in

50° RALLY OF WERVIK 12-13/06/2026

the roadbook. Refueling outside this zone will result in immediate exclusion and the fine from the environmental authority will be paid by the offender. By subscribing you automatically agree to this rule.

26. Alcohol control:

Any person (pilot, co-driver) who participates in a race organised under the responsibility of the Flemish Autosport Federation may be subject to alcohol checks before and/or during the race. These are carried out by a judge of fact who is mandated for this purpose by the VAS. The sports federation applies a zero tolerance (0.00 sports regulations, chap. 4, General regulations, Art. 2, point 6). This means that alcohol percentage must be 0.00 per mille. If the first test is positive, a second test is performed with the "pipe" so that the correct amount is known. In the event of a positive result (pilot and/or co-pilot), the team will be immediately put out of competition. Used breath test device : Alco-sensor-FST serial number 071333 or 071328 with valid calibration certificate issued by the Belgian measurement institute.

28. Final inspection:

Any final inspections will take place: see addendum or roadbook.

29. Result - Cup Ceremony:

This will take place in the rally center De Graankorel. This as soon as possible after the official results.

32. Miscellaneous:

For the complete sports and technical regulations rally, see VAS Sports Regulations 2026 and the official announcements. Offering a car after an accident with damage: see addendum or roadbook.

Timing documents check:

For the document check, the rally car does **not** have access to the rally center.

This is to guarantee a smooth passage to the technical inspection.
