The Stewards, having received the report (Doc. n° 6.26) from the FIA Technical Delegate, having examined the document and the photos included, have considered the following matter, determine the following:

Fact: During routine checks before the start of the selective section 10, the driver of the car # 417 was found wearing gloves that were not homologated to the actually allowed FIA standard (8856-2018) but to the previous one (8856-2000).

Offence: Breach of Article 2 - Chapter III of Appendix L - FIA 2023 International Sporting Code

Decision: Fine of 250 €

In accordance with Article 12.8 FIA International Sporting Code, the payment of the fines must be done online, within 48 hours of their notification, at the following address: <https://fiafines.fia.com>. Any delay in making payment may entail suspension during the period a fine remains unpaid.

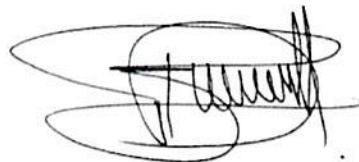

Reason: The drivers and the co-drivers must wear overalls as well as gloves (optional for the co-drivers), long underwear, a balaclava, socks and shoes homologated to the FIA 8856-2018 standard. The gloves are a very important safety item that must be used. The crew must wear all required safety clothing and equipment in compliance with Appendix L Chapter III - Drivers' Equipment as intended by the equipment manufacturer.

The decision is based on the FIA International Sporting Code Art. 11.9.1, Art. 11.9.3 f; and Art. 12.4.1.c.
