Assistance

Entrance

[26°19.770'N / 50°7.482'E](#)

(See the maps at the end of this document)

Step 1 - An usher will let you know which assistance park you have been allocated to (Park 1, 2, 3 or 4).

Step 2 - You will be shown your space and will be able to setup your paddock. From there, all movements must be pedestrians movements, or by using the shuttles which will be available between each assistance park and the podium.

Step 3 - You are invited to join the Team Area, next to the podium, to celebrate the achievement of your drivers and pilots.

IMPORTANT

Les teams souhaitant monter sur le podium en même temps que leur/s pilote/s sont invités à se présenter 15 minutes avant leur passage à l'espace Team derrière le podium. Un membre du Service Concurrents les accueillera.

FOR W2RC CEREMONY

Warning, the competitors concerned by the W2RC ceremony must be present at the "Team area" behind the podium at 8:00pm at the latest.

The DRIVER and CODRIVER winners of each category will be awarded without the vehicle on stage.

The FIM and FIA MANUFACTURER awards will be celebrated right after the winners of each category with the vehicle on stage and with the driver/rider and codriver and the team manager.

The teams winning the W2RC Bike and Car MANUFACTURER award must organize themselves to drive the vehicle from the Parc Fermé and park it right next to the podium at 8:00pm at the latest.

FOR DAKAR PRIME TIME

Warning, the competitors concerned by the Dakar Prime Time ceremony (from 9:00pm to 1:00pm) must be present next to the podium with their vehicle 30 minutes before their passage at the latest.

- For FIA, only the vehicle on the winner will go on the podium.
- For FIM, the 3 bikes will go on the podium.

For W2RC and Dakar, **please consult the Running Order below** to know your passage timing and the vehicles authorized to go on the podium.
