## ADMINISTRATIVE CHECKS & COLLECTION OF THE MATERIALS

### ADMINISTRATIVE CHECKS

The competition uses an electronic administrative check, and the forms must be submitted by 25th of February 2026 at 16:30.

Links to the electronic administrative check and the announcer information form can be found on the official notice board as well as via the following links:

- Classes with reconnaissance (1–14, 19–24): <https://forms.gle/QRwpi6GEqFPKg4Nd6>
- Classes without reconnaissance (15–18, 22–25): <https://forms.gle/w5RTYiP2P4Y2nn6d9>
- The announcer information form: <https://forms.gle/puGL7RZb7wFn3kHD6>

**If there are any changes to the registration information, please fill in the *Changes in Entry information form* available on the Official notice board.** If the updated information is submitted to the competition secretary by email no later than Wednesday before the event at 18:00, a modification fee of €35 will be charged in accordance with the rally regulations. For changes submitted after this deadline, the organizer will charge a modification fee of €50. Please be prepared to pay via MobilePay or by card.

## COLLECTION OF THE MATERIALS

### Classes 1–14 and 19–21

Collection of materials begins on Friday 27th of February 2026 at 07:00 at ABC Riihimäki, Kinturintie 2, 11120 Riihimäki. Competitors' driving licences/IDs will be checked, meaning both drivers must be present for material collection. All other documents must be submitted in advance.

Materials to be distributed:

- 2 identification stickers for the reconnaissance car
- Competition number stickers: 2 pcs for the doors, 2 pcs for the rear side windows, and 1 pc for the windscreen (upper right corner)
- Roadbook
- Route map, 2 pcs
- Service vehicle pass (for classes 1–14)
- Possible windscreen sticker
- Tracking device from its designated distribution point

### Classes 15–18 and 22–25

Collection of materials begins on Saturday 28th of February 2026 at 08:00 at ABC Riihimäki, Kinturintie 2, 11120 Riihimäki. Competitors' driving licences/IDs will be checked, meaning both drivers must be present for material collection. All other documents must be submitted in advance.

Materials to be distributed:

- Competition number stickers: 2 pcs for the doors, 2 pcs for the rear side windows, and 1 pc for the windscreen (upper right corner)
- Roadbook
- Route map, 2 pcs
- Service vehicle pass (for classes 15–18)
- Possible windscreen sticker
- Tracking device from its designated distribution point

**Additional service vehicle passes** can be purchased during material distribution for a fee of €20.

Accepted payment methods are MobilePay and card.

**Timing transponders** will be distributed to all competitors in the start area. Please arrive at the start area no later than 10 minutes before your own start time.

**Time Card A** will be given at the start TC.

## RECONNAISSANCE

Reconnaissance is permitted on 27th of February 2026 according to the following schedule:

- SS 1–6 and SS 8–9: 07:30–18:00
- SS 7: 16:00–18:00

Please note the possibility given in Bulletin no 1 to drive in the opposite direction on SS 1 and SS 8.

The organizer's reconnaissance car identification stickers (2 pcs) must be attached to the upper part of the windscreen and to the right rear side window, and they must remain in place for the entire reconnaissance period.

The GPS tracking device must be used throughout reconnaissance.

Instructions to stop given by officials wearing organizer identification must be obeyed under penalty of refusal to start.

Reconnaissance is permitted only for competitors in classes 1–14 and 19–21. If competitors in classes 15–18 or 19–21, or their representatives, are found on the route after the reconnaissance prohibition has begun and before their own start time, they will be denied the right to start in the SM Auto Sorsa Riihimäki Rally. This penalty does not exclude any additional sanctions that may be imposed by the ASN.

**The route includes several private roads with residential areas → please follow traffic regulations during the reconnaissance to ensure possible permission to use these roads in the future!** Please, also respect residents along the route and avoid urinating in TC or start areas, especially near residential driveways.

**Reconnaissance cars must be parked in the public parking area near the service park (see map).**

## SAFETY SCRUTINEERING

Time for the safety scrutineering can be booked in <https://slotti.fi/booking/rallism/#/>

- Classes 1–7: system opens on Friday 20th of February at 15.00 and closes on Wednesday 25th February at 16.30
- Classes 8–25: system opens on Monday 23rd of February at 10.00 and closes on Wednesday 25th of February at 16.30

The safety scrutineering will be carried out according to the time slots reserved in the Slotti system, at the facilities of Hyria Koulutus Oy's car department, located at Sakonkatu 1, Riihimäki.

Please note on Friday that behind the parking area on the opposite side of Sakonkatu is the Riihimäki Recycling Center shop, which is open to customers until 17:00 – please do not obstruct access to it.

**The rally car must be unloaded in the trailer park!**

The safety scrutineering will be held in accordance with sections 10.1 Safety scrutineering and 10.2 Sealing and Markings of the 2026 Finnish Rally Championship Regulations.

**Competitors must arrive at the safety scrutineering and any possible technical inspection after rally with road-homologated tyres. A separate tyre change area will be designated for cars invited to technical inspection.**

If a competitor has not booked a safety scrutineering time during the Slotti system's open period, the secretary of the rally will book a time and inform the competitor. While the Slotti system is open, the competitor or their representative may request the secretary of the rally to make the reservation; in this case, the secretary will book the time and notify the competitor.

The safety scrutineering may be interrupted if a deficiency or deviation is detected in the rally car or equipment. Any deficiencies or deviations will be reported to the competitor in writing, and an opportunity will be given to carry out corrective actions within the time specified by the scrutineers. The corrections will be checked and approved during a re-inspection. The competitor's representative may take a photo of the approved scrutineering report, which will remain with the scrutineers.

The competitor-specific result of the safety scrutineering will be communicated electronically to the rally office for the preparation of the Start list.

**Chief Scrutineer:** Jyrki Hapulahti +358 400 849 569

### **Tyre bar code forms and other technical documents**

The documents required for the safety scrutineering, in accordance with article 11.1 of the Finnish Rally Championship Regulations, must be submitted by email no later than 25th of February at 16:30 to [rallismkatsastus@autourheilu.fi](mailto:rallismkatsastus@autourheilu.fi).

Tyre barcode forms must be returned by 27th of February at 21:00 to [rallismkatsastus@autourheilu.fi](mailto:rallismkatsastus@autourheilu.fi).

The emails' subject line must include the competition number and the driver's name.

### **DRESSING ROOMS AND SHOWERS**

On the rally day, Crossfit Riihimäki offers facilities for changing clothes and showering. The location can be found on the service area map.

### **START LIST**

The start list will be published and updated on the Official notice board and on the MUT Services website starting on Saturday 28th of February at 09:30.

### **START OF THE RALLY**

The start for classes 1–18 will take place in the center of Riihimäki on Kauppatkatu. The route from the service area to the competition start is shown in the roadbook.

**The start for Auto Sorsan Erikoinen** (classes 19–24) is located in Jokiniemi, Loppi. The route from ABC Riihimäki to the start is indicated in the roadbook. Driving time is approximately 20 minutes, distance about 15.5 km.

## TIME CARD

The rally will use an international time card. The actual start time of each special stage is added with the liaison time to determine the arrival time at the next time control. Each crew is solely responsible for its own time card. The crew is responsible for presenting the card at the correct moment and for ensuring the accuracy of the markings.

**The competitor hands the time card to the official for markings. All markings on the time card are made by the TC officials.**

Time Card A will be given to competitors at the start TC, Time Card B at TC 3A, and Time Card C at TC 7A. Auto Sorsan Erikoinen has only one time card.

The timing transponder will be distributed in the start area.

## SERVICE

The service area for classes 1–18, which will be visited twice, is located in the Mattila industrial area. The service area will open with limited access on Friday 27th of February at 18:00. On Saturday 28th of February, the area opens at 07:00.

At the Regroup/Service IN time controls (TC 3A and TC 7A), the competitor will be given the service start time on the time card (start time 3–18 minutes after check-in). The time card must be placed on the rally car's windscreen so that the given times are clearly visible. The service duration is 40 minutes on both occasions. The organizer will supervise all service operations.

Service vehicles must be equipped according to the Finnish Rally Championship Regulations (art. 15.5), and a liquid-proof ground sheet at least the size of the car must be placed under the rally car. Failure to comply with any of these requirements will result in immediate exclusion from the event by decision of the Clerk of the Course.

Please note that reconnaissance cars are not allowed in the service park.

**A detailed map with numbered service areas will be published on the official notice board on Wednesday 25<sup>th</sup> February at 20:00.**

**Service Area Manager:** Jarmo Haverinen +358 400 927 239

**Auto Sorsan Erikoinen:** The service area for Auto Sorsan Erikoinen (classes 19–25) is located in the yard area of ABC Riihimäki. The liaison section from SS 3 to TC 3A includes approximately 50 minutes of service and refuelling time, as indicated in the roadbook.

## REFUELING

Refuelling on the route takes place at the fuel stations indicated in the roadbook, using the station's pumps. Refuelling from competitors' own containers takes place in the refuelling area located immediately after Services A and B (see service area map).

The refuelling method and the fuel to be used must be declared in the electronic administrative checks.

## FINISH

The finish of the Rally is located in the yard area of Auto Sorsa Oy, at Tehtaankatu 6, Riihimäki. After arriving at the finish, the competitors will be directed to a holding area for the prize-giving ceremony taking place in the finish area. Early check in is permitted to the finish TC.

## PROTESTS

A technical protest concerning another competitor's car, which a competitor intends to file during the competition, must be submitted to the CRO, Jan Lönegren, before the car in question arrives at the finish TC.

## PRICE GIVING CEREMONY

Prizes will be given according to the provisional results after the finish of the rally. Those receiving prizes will be directed to wait for the prize-giving ceremony after the finish TC.

The number of awarded competitors will be announced on the official notice board.

## AFTER PARTY

The rally's afterparty will be held at the restaurant Taco 4 Wine, see the advertisement attached.
