DECISION 5

Several matters of significance have been referred to the Steward and he believes that a Stewards Review is required to respond to each of these as well as determine the Final results depending on how issues are resolved. Not having the authority to convene a Stewards Review himself, the Steward requests that the Competition Director do so.

Results will remain Provisional until the conclusion of the Stewards Review.

A handwritten signature in black ink, appearing to read 'APerry', is positioned above the name of the signatory.
