DECISION 1A

posted at: 8 Jul 2026 17:00

From: the Steward

Date: 8 Jul 2026

To: Scoring, Clerk of the Course

Time (decision): 13:45

The Steward, having received a request from the Registrar to change an entry's vehicle, have considered the following matter and determined the following:

Driver, Co-driver, and car No: Leonardo Quintero, Leonel Fuerte, Car 333

Date and Time (fact): 7 Jul 2026 13:22

Session: N/A

Fact: After the close of entry, the Driver of Car 333, submitted a request to substitute their entered vehicle and class from a 2000 Subaru Impreza in NA4WD class to a 2011 Subaru Impreza WRX STi in L4WD class. The reason for these changes is impact damage found on the originally entered vehicle after its previous event that, in the opinion of the Car 333's Team Manager, made it unsafe.

Offence: N/A

Decision: The Steward has decided to allow the request and direct officials to make the changes described above.

Reason: GCR 4.15 allows for change to an entry. The request was made prior to posting of the Final Start Order for the first control of the event, so is permitted under the rule.

This decision updates Decision 1 to change the entered class as well.

Competitors are reminded that they have the right to appeal certain decisions of the Steward, in accordance with Article 10 of the ARA General Competition Rules.
