DECISION 2

posted at: 9 Jul 2026 22:00

From: the Steward

Date: 9 Jul 2026

To: Scoring, Clerk of the Course

Time (decision): 18:00

The Steward, having received a request through Sportity to change an entry's class, has considered the following matter and determined the following:

Driver, Co-driver, and car No: Lucas Mozes, Boyd Smith, Car 74

Date and Time (fact): 9 Jul 2026 10:50

Session: N/A

Fact: After the close of entry and before the posting of the final starting order, the Driver of Car 74, submitted a request to change their entered class from O4WD to L4WD. The reason for this change is because of installed equipment that is allowed in L4WD class but not in O4WD.

The Final Start Order for the first leg was needed before this decision could be prepared, so that order was released with Car 74's class tentative and marked as under review.

Offence: N/A

Decision: The Steward has decided to allow the request and direct officials to make the class change described above.

Reason: GCR 4.15 allows for change to an entry. The request was made prior to posting of the Final Start Order for the first control of the event, so is permitted under the rule.

Competitors are reminded that they have the right to appeal certain decisions of the Steward, in accordance with Article 10 of the ARA General Competition Rules.
