**The Steward, have received a report from the SS-1 Stop Marshall, have considered the following matter and determine the following:**

**Fact:** The above addressed competitor after Special Stage 1 finish at the stop zone was doing some repairing with the car.

After summoned the driver, explanation was received that at the special stage finish was huge water ditch and due to that their windows was completely blind due to water steam and due to safety they was trying to clean the window.

**Decision:** No further action. Crew was reminded about rally general safety and Latvian Rally general prescription rules.

Competitor is reminded of their right to appeal certain decisions of the Steward, in accordance with Latvian Sporting Code.
