

Bulletin 2 - Rally Nyköping

In regrouping on Friday, you are able to fix your car with the parts you have in the car, driver and co driver.

The award ceremony takes place at Stora Torget in Nyköping after finished class. Prize winners remain on the square until the prize giving has been and the remaining drivers go over the ramp and then out to Rally HQ Skavsta. If you are selected for follow-up inspection, it takes place in connection with Rally HQ at Skavsta. Selected crew goes after a technician to the post-check.

The length from Skavsta down to the square for the main start is 6.92km and from the finish on the square to Skavsta is 6.61km.

Maps for each special route and diversion routes come in a separate booklet.

Timber truck traffic will appear on ss8 during Friday morning.

Regrouping after ss14 is MAX 15 min, can be shorter. Follow the marshalls instructions.

Notification of a restart is made to the phone number on the time card.
