- 7.2 Between TC 3 and TC 4 the route is free and recharging anywhere is allowed. Recharging is in no way provided or guaranteed by the organizer and it is entirely up to the crews to get access to recharging (e.g. recharge pass) and to pay the cost of recharging. The roadbook will include a recommended route between TC 3 and TC 4.

There will be a special test after TC 3 which will not count towards the results. It is compulsory for the crews to pass it. The test will be held according to the rules of the so-called one-hundredth rally. There will be several sections of the test and for each section there will be a time (specified in the roadbook) in which to complete the section. Measurements will be taken to the hundredth of a second and the crew will be penalised 1 penalty point for each hundredth of a second deviation.
