Supplementary Regulations

7.1.2 Tyre marking is obligatory for all the competitors.

All tyres must have a specific barcode number supplied by the 2024 FIA-approved barcode supplier. All tyres must be registered with the FIA Eligibility delegate before the start of the rally, at pre-event scrutineering. **Due to weather conditions, all competitors can re-register their tyres on Saturday (19th of October) in the Service Park. The FIA Eligibility Delegate will be at the competitors' disposal from 9:00 a.m. Registration will definitely be finished at 10:30 a.m.** The cars must be presented at the tyre Marking Zone with their spare wheels placed with the outer part of the rim on top, and if needed, unfastened, to facilitate the procedure. Following the marking, and before the cars departure from the tyre marking area, crews, or their team member, must properly fasten the spare wheels as required. For Competitors taking part in the Shakedown (where offered by the event), tyres used for the Shakedown will not be marked.
