The Stewards, having received Report No 3 (Doc. 3.10) from the CoC, with documentary evidence attached, summoned the above crew members and heard the Driver and Co-Driver of Crew No 11, have considered the following matter and determine the following:

Fact: The crew stopped on SS7 and failed to comply with the requirement to activate the OK display on the Safety tracking device within one minute.

Offence: Breach of Art. 53.3.3 of the 2024 FIA EHRC Sporting Regulations.

Decision: Driver Guy Trolliet and Co-driver Sebastien Moulin shall be jointly and severally liable to pay a **fine € 250**

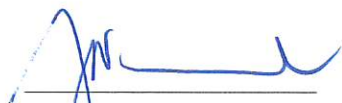

In accordance with Article 12.8.1 of the FIA International Sporting Code 2024, the payment of the fines must be done within 48 hours of their notification, at the following address: <https://fiafines.fia.com>. Any delay in making payment may entail suspension during the period the fine remains unpaid.

Reason: The crew activated the OK Button only 5 minutes after they had stopped on SS7, which is a breach of the above-mentioned regulations.
The Co-Driver recognised the mistake made by the crew; the crew told that after stop they immediately start to change the tyres and they forgot about the procedure and did not activate the OK display. They apologised for their mistakes.

The Stewards concluded that, nevertheless, Art. 53.3.3 of the 2024 FIA EHRC Sporting Regulations was breached and determined that the above fine was appropriate for this infringement.

Competitors are reminded of their right to appeal certain decisions of the Stewards, in accordance with Article 15 of the 2024 FIA International Sporting Code and Article 9.1.1 of the 2024 FIA Judicial and Disciplinary Rules, within the applicable time limits.
