

Minimum Online Entry Details Required – Heartlands Rally 2025

We're just three weeks away from the 11th running of the Heartlands Rally, and with the event now oversubscribed, thank you to everyone who has entered.

However, many entrants have not yet fully completed their online entry on the Shannon Sports Rally Entry System. Please ensure all required fields are filled in by Wednesday, 4th June, to avoid delays for you at Recce Sign on.

✓ Fastlane Access

A Fastlane will operate at Recce Sign-On for entries with completed entries. Incomplete entries may end up in a Slow Lane, causing you delays. You'll be advised in the week before the event if you're Fastlane-approved.

📋 Required Fields for Fastlane

Please ensure the following are completed online before Wednesday 4th June:

- Driver & Navigator names
- Driver & Navigator mobile numbers (must be the phones carried on the day)
- Next of Kin - Names and Numbers
- Vehicle make, model, and registration number
- Class entered
- Competition License numbers and Expiry Dates (Driver & Navigator)
- Seeding information – include recent, relevant results

📱 Correct Mobile Numbers Are Critical.

The Control Room uses these to check on your safety if you stop on a stage. If they can't contact you, emergency services may be deployed unnecessarily, and the stage could be stopped.

🏆 Seeding & Awards

- Accurate, relevant info = fair seeding.
- Irrelevant details (e.g., Leaving Cert points or online dating success) while entertaining won't help!
- Clearly state if you're eligible for MERC, West Coast Championship, or any special awards as the organisers will rely on this in setting priority entries.

We look forward to welcoming you to Laois!
