MANDATORY EQUIPMENT AND DOCUMENTS

Crews must have vehicle equipment in accordance with the rules for the Czech Republic and Austria. Informative list of mandatory equipment, documents and obligations (may not be complete and it is the responsibility of each crew to verify the conditions and act accordingly):

1. Reflective vest – mandatory for the driver, highly recommended for other passengers. Mandatory for everyone when exiting the vehicle.
2. Warning triangle.
3. First aid kit – check the expiration date carefully. In Austria, it is required to be in its original packaging and intact.
4. Spare wheel or tire repair kit.
5. Driver's driving license.
6. Vehicle registration certificate.
7. Proof of vehicle insurance – a digital version should suffice, but we recommend printing it. Check the validity of the document carefully.
8. Daytime running lights are mandatory.
9. The use of dashcams can be problematic in Austria. Study the relevant rules.

TYRE INFORMATION

Winter tyres (M+S, 3PMSF) are mandatory from November 1 to March 31 (in Austria until April 15) if there is snow, ice or frost on the road, or if such conditions can be expected. Outside of these conditions, summer tyres are permitted. The minimum tread depth for winter tyres is 4 mm and for summer tyres 1.6 mm.

Maximum altitude of the track – leg 1: 900 m a.s.l.

Maximum altitude of the track – leg 2: 965 m a.s.l.

Páteční etapa soutěže se bude konat částečně v Rakousku.

POVINNÁ VÝBAVA A DOKLADY

Posádky musí mít výbavu vozidel dle pravidel pro Českou republiku a Rakousko. Informativní výčet povinné výbavy, dokladů a povinností (nemusí být kompletní a je povinností každé posádky si podmínky ověřit a zařídit se podle nich):

1. Reflexní vesta – povinná pro řidiče, pro ostatní cestující velmi doporučena. Při vystoupení z vozidla povinná pro každého.
2. Výstražný trojúhelník.
3. Autolékárnička – zkontrolujte pečlivě expiraci. V Rakousku je vyžadováno, aby byla v originálním obalu a neporušená.
4. Rezervní kolo nebo sada na opravu pneumatiky.
