7. ITINERARY AND LAYOUT

Replace time schedule – see the attachment no. 1.

8. RUNNING OF THE EVENT

8.5 Starting procedure at regularity stages

Crews start into regularity stages in the order they arrive at START position, marked with a clearly visible panel with a black flag in a red field. The start procedure will be unmanned – without a timekeeper and clock. The crew may start to the stage at any time at their own discretion, however it must always be a full minute.

8.6 PC (passage control) 1 on the square in České Budějovice is virtual. Crews just pass through without stopping. Passage control will be done by the GPS monitoring system.
