The Stewards having received a report from Chief Scrutineer, have considered the following matter and determine the following:

Fact: During scrutineering the Chief scrutineer determined the safety cage is not correctly welded. They were given an opportunity to solve the issue in a set time, which they were unable to meet.

Offence:

Breach of ISC Appendix J, Art. 253.8.

Decision: Disqualification of the competitor (not allowed to start)

Reason:

The Stewards concluded that the competitor broken FIA regulations regarding the Roll Cage. Since the safety cage is not correctly welded, according to the ISC Appendix J, Art. 253.8. and Sporting regulations AŠ SLO Art. 5.3 and 11.10 the Stewards cannot allow the car to take part in the event. This Stewards decision was made based on Sporting regulations AŠ SLO Art. 14.
