Any irregularity or discrepancies regarding the below procedures will result in the application of FIA WRC Sporting Regulations, Art. 19.3.4 and 44.2.12. It is to be noted that, as a principle, the entries recorded on the timing marshals' check- sheets shall be decisive.

At these controls, the marshal will simply mark the car number on his check sheet as soon as the car stops at the control, without mentioning the time of passage, and show the check sheet to the co-driver.

12.5.4 Time Controls

- a. The check-in procedure begins at the moment as stipulated in Art. 44.2.1 of the FIA WRC SR.

- c. The appropriate timekeeper will then enter the actual time at which the card was shown on the timing tablet and write it on the check sheet (FIA WRC SR, Art. 44.2.5).
- d. They will then show the recorded check-in time and, in case of a Time Control followed by a special stage, the provisional special stage start time to the co-driver. The co-driver shall then enter this time on their time card (FIA WRC SR, Art. 44.2.5).

12.5.5 Special Stage Start

- a. At the start line, the co-driver shows the timekeeper the time card through the side window. The timekeeper then either confirms this provisional start time or shows a different start time on his check sheet.
- b. This new time, if any, shall then be recorded as actual start time on the time card by the co-driver (FIA WRC SR, Art. 48.2.3). This actual start time will also be shown on the electronic start count-down display.

12.5.6 Special Stage STOP point

- a. The timekeeper at the stop point will show the finish time (time of the day: hour, minute, second, tenth of a second and thousands for the Power Stage) and the calculated stage time to the crew (co-driver).
- b. The co-driver shall record this time on their time card.

12.5.7 Regrouping controls (Art. 46 - 2022 FIA WRC Sporting Regulations)

- a. There is no need to hand in the Time Card used for the Section concerned.
- b. For regroupings during a day, the crews shall themselves record their re-start time from the regroup as instructed by the timing marshal on their new time card for the following Section of that day.
- c. In case of an overnight regroup, the crew shall themselves record their re-start time of the following day on their time card, following the publication of the start list for the section after the overnight regroup.
