

Bulletin 8 – Stage 5 Dust and Lights  
2026 Rally in the 100 Acre Wood  
March 14, 2026

To: All Participants

Subject: Stage 5 Dust Conditions and Lights at the Cattle Guard jump

Stage 5 (KP to Ollie Long) had increased dust conditions, affecting visibility; additionally, improperly placed lights at the Cattle Guard further compounded visibility and caused distractions. Both conditions adversely affected competition.

We are removing the scores for Stage 5 from the results.

Also, the event has made the decision to NOT use the media/sponsor lights at the cattle guard this evening.

Thank you,  
Terec Willson  
Clerk of the Course
