An optional remote refuel is being added to the last transit after Stage 5 on Friday evening. The distance from the service refuel is 107.5 miles, with 9 miles to return to MTC. The optional remote refuel will be at the Country Mart on Highway 8 in Steelville, MO. Its location and the best way in and out of the parking lot is diagramed below, this optional loop adds approximately 0.23 miles to the transit.

Next door to the Country Mart, highlighted in orange, is a Phillips 66 that offers 91 octane fuel that can be used if you are permitted to use pump gas.

The itinerary reflecting this remote refuel is below.
