Subject: Scratch Time Assigned for Stage 2

Per RCR 5.14.3, the scratch time for Stage 2 is 7:10.3 for every car that did not finish the stage.

Car 35, while having a slower time, the organizers believe their time of 7:30.8 was abnormal so it was not used as the scratch time; car 35 will receive their stage time of 7:30.8.
