

# 100 ACRE WOOD

Bulletin #7

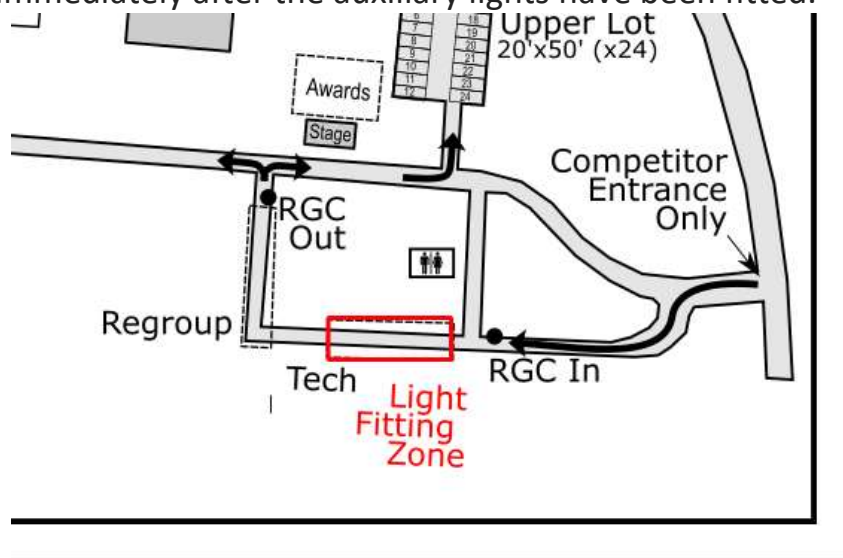

2026 Rally in the 100 Acre Wood

March 13, 2026

To: All Participants

Subject: Light Fitting Zone, Power Stage Extra Minute, Power Stage Lights

1. Teams will be allowed to fit auxiliary lights for section 6 within the Regroup Control after TC12A under the following conditions:
  - No work is allowed within the marked zone other than for two team personnel to fit auxiliary lights, using hand tools, and under the supervision of rally officials at all times.
  - The two team personnel may enter the zone only after their respective car has entered the RGC and with approval from a rally official, and must leave immediately after the auxiliary lights have been fitted.

2. The Power Stage extra minute will be assigned at TC12B.

3. There will be lights lighting up the area around the cattle guard jump during the running of the power stage, Stage 13.
