The stewards, having received a report from the Clerk of the Course with an attached letter from the competitor No 401 regarding the possible unsportsmanlike conduct (during the verbal conversation) of the team member of competitor No 402, began an investigation, having summoned, and heard (on 21.10.2022) the representatives Mr. Rafal CEBULA, Mr. Michal GOCZAL, Mr. Scott ABRAHAM, Mr. Giedrius BACIUSKA and Mr. Ramunas FETINGIS, determine the following:

Decision: No further actions

Reason:

After listening to the explanations of all interested parties, is it clear that there is a big fight between competitors not only for victory at this event, but also for the title of champion in this year's season. There is a huge psychological tension. The stewards suggested that both competitors, their representatives and team members, family members should focus only on the main goals, i. e. on the honest pursuit of sports results. Sport should remain a priority. When the stewards suggested that everyone in the stewards' room just shake hands with each other in a friendly way and wish each other sporting success, the persons concerned did so.

Stewards decide that there is no clear evidence about possible behaviour in an unsportsmanlike manner.

The investigation shall be terminated.

The decision is based on the FIA ISC Art. 11.9.1

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code within the applicable time limits.
