Clarification for the above competitors (Ref Article 4.2.7, FIA Appendix K 2025.)

Entries will be accepted for cars that are not yet in receipt of a valid HTP, under the condition that an HTP application has been submitted to the FIA, and provided that the HTP application is verifiable from the FIA portal.

A copy of the submitted FIA HTP application must be provided to the organiser by 18:00 hrs on Thursday 27th November 2025.

Where a verifiable application is proven, these cars will be accepted to run in an 'Invitation' Class, Class O, (Appendix K Vehicles with a verifiable HTP Application). These cars will not be eligible to score championship points or receive any event overall, class or other awards. A car cannot be accepted under this exceptional condition, if a 12-month period has lapsed, starting from the date of the HTP submission to the FIA.
