The result marked with '*' does not change because it was found to be correct

Reason

The Clerk of Course submitted a report that the timing system clock at the Start Point of SS9 (Granit und Wald 1) lost GPS synchronisation and due to that several stage times recorded are off by approximately one second.

On the grounds of Articles 1.1.1, 11.9.2.a and 11.9.3.j of the 2024 FIA International Sporting Code, the Stewards determined to amend the times using the time recorded by the Start Line photocell adding 0.5 seconds as a simulation of reaction time.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the 2024 FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules.
