Dear Fergus,

RE: Mach 1 Stages & Junior Stages 2026
11th – 12th July 2026
Permit Nos.: 207149 & 207194

Thank you for your application, in accordance with NCR Chapter 13, Appendix 12 Article 3.26, to run 30 second starts. This is authorised for all stages and your stage diagrams are approved, this also includes for 30 second starts.

Notwithstanding the provisions contained in NCR Chapter 13, Appendix 2, Articles 4.28-29, at all venues issued with a Motorsport UK Track Licence ALL non-competing vehicles MUST be parked behind the circuit safety barriers during the normal running of a special stage. At all other venues the 30m provision in NCR Chapter 13, Appendix 2, Article 4.28 is the MINIMUM distance that a non-competing vehicle may be located from the edge of the stage. The nature of the stage, weather conditions etc, must be taken into consideration and the distance that non-competing vehicles are stationed from the edge of the stage increased accordingly.

Dispensation is granted to waive the provisions of NCR Ch. 13 App. 9 Arts 5.4.a and 5.4.b to not use Competition Numbers in the rear side windows (or equivalent).

The granting of this permission does not preclude the right of the Motorsport UK Safety Delegate (if present) the Motorsport UK Steward or Event Stewards where no Motorsport UK Steward is appointed from requesting alterations on the grounds of safety.

Please ensure that this letter and the stamped diagrams are shown to the Steward before the start. Only documents bearing the correct reference number and stamps shall be deemed to be valid.

Yours sincerely

JONATHAN JACKSON
Head of Rallying
