Special Stage and Competition Format

The Special Stage is 4.36 km long and is run entirely on asphalt in Juelsminde.

The total competitive distance is approximately 13 km.

The event consists of three qualifying heats, and all three heats count.

Maximum Time: The maximum permitted time for each heat is:

The slowest time in the class plus 30 seconds.

This time will also be assigned to competitors who fail to complete a heat or fail to complete it correctly.

Skipping a heat is not permitted.

Final Heat

All competitors will complete **three qualifying heats**, providing three opportunities to set their fastest time.

The competitor's **single fastest time** from the three qualifying heats will determine qualification for the Final.

The following crews will qualify:

- The **10 fastest Rallysprint competitors**
- The **10 fastest Danish Rally Championship (DM) competitors** who are entered in the Rallysprint

Accordingly, a total of **20 crews** will qualify for the decisive Final Heat.

Class results from the qualifying heats will also be awarded after the event.

Additional Regulations

In the event of damage caused by a competitor, the competitor responsible shall pay the insurance excess of DKK 2,500.

Final Instructions No. 1 will be published on:
