Refuelling

1. As per the Regulations, except as detailed for the changing of a fuel tank, competitors are not permitted to refuel in the Service Area.

2. There will be no refuelling service at this years Argyll Rally. Therefore, competitors have the option to refuel at commercial filling stations on, or adjacent to the route, or self-refuelling within the designated Refuelling Zone.

3. The Refuelling Zone is located at Ardnadam Car Park (///hulk.converter.smaller) and is indicated on pages 57 and 83 of the road book. A diagram of the Refuelling Zone is shown in Appendix 1 below, please follow the one-way system at all times.

4. For those wishing to use commercial filling stations Super unleaded petrol is available from the following fuel stations close to Dunoon.
    - Cot House Services (Jet), Sandbank, Dunoon, PA23 8QG
    - Wilsons Garage (BP), 95 Alexandra Parade, Dunoon, PA23 8AL

5. Competitors are advised to ensure they have sufficient fuel to complete Leg 1 before they start the event. On Leg 2 there is sufficient time between MTC3 and TC8 then again between TC11b and TC12 to refuel.

6. There will be a strict 5mph speed limit within the Refuelling Zone

7. The Refuelling Zone will be open at the following times:
    - Friday 19th June 16:30 – 18:30
    - Saturday 20th June 07:45 – 10:30 / 12:30 – 16:00

8. No fuel, fuel cans or refuelling equipment is to be left in the Refuelling Zone overnight. Competitors are permitted to leave fuel, fuel cans or refuelling equipment within the Refuelling Zone on Saturday. Please follow the instructions of the Officials when leaving anything in the Refuelling Zone and ensure all cans are clearly marked.

9. Anyone using the Refuelling Zone must adhere to the following regulations:
    - Personnel undertaking the refuelling must arrive no more than 5 minutes before the car they wish to refuel.
    - No persons under 17 years will be allowed to enter the Refuelling Zone
    - Only specially designed sealed pumps or direct pouring from cans will be allowed. NO FUNNELS or JUGS permitted.
    - Competitors fuel must be contained in marked British Standard Fuel Cans.
    - Personnel refuelling the vehicles are advised to wear fire protection clothing and no person wearing shorts or short sleeved upper garments will be permitted within the Refuelling Zone.
    - Apart from the competing crew only two other personnel are permitted within the zone to assist with refuelling.
    - No competitors or service crew are permitted within the vehicle when refuelling is taking place. No other work can take place on the vehicle. Only when refuelling is completed will anyone be allowed to re-enter the vehicle.

10. Any competitor or persons associated with a competing crew that is found to be breaching any of the regulations detailed in this Bulletin may be penalised in accordance with NCR Chapter 2.
