## Recce Vehicle Registration

In order to speed up the recce sign on process a digital form has been created to allow competitors to register the details of the vehicle they will be using for the recce.

The registration form can be found either by scanning the QR Code below or via the link on the Official Noticeboard.

Recce stickers, a road book and a recce record card will be issued at Recce Sign On once the registration form has been completed.

We suggest that competitors complete the form prior to arriving at Recce Sign On.

Only one crew member needs to attend Recce Sign On.
