Please note that online and phone ticket orders are dispatched by Royal Mail Tracked 48hrs, but please allow 5 working days for the order to arrive. Receipts for tickets will not be accepted and onboard fares will be charged.

Advance Purchase Tickets

These can be used for cars, pickups, motorhomes, small vans (under 5m), caravans and trailers. These tickets are sold at 5 meter increments, e.g. a car and trailer measuring 13m in total will require 3 tickets.

Commercial Vehicles

Commercial vehicles over 5 meters are charged at our commercial rates. Those using commercial vehicles should complete this online form www.western-ferries.co.uk/pages/commercial-enquiries. Advance Purchase Tickets can still be used for the trailer.

Multiple Advance Purchase Tickets will not be accepted for Commercial Vehicles.

Please note that there is no advance purchase discount for Commercial Vehicles.

Converted Commercial Vehicles

Those travelling in Commercial Vehicles over 5 meters, which have been converted into a motorhome, should bring the vehicle's registration document as proof of the conversion. If this is not provided, then the vehicle will be charged as a Commercial Vehicle.

Driver/Passenger Tickets

Tickets are also required for drivers and passengers. Advance Purchase Tickets and the Commercial Tickets include the vehicle driver, however additional tickets will also be required for any passengers.

All are encouraged to make contact with Western Ferries, in advance of travelling, to ensure that we can advise on the most cost effective tickets.
