Service vehicles must have a Service Plate stuck to the front of the vehicle with the corresponding number plate written on the Service Plate. These plates will be affixed to your vehicle by the marshals at the Service Area entrance. Please do not try to enter the service area in a vehicle that is not your competing car or service vehicle.

Anyone that wishes to use a service vehicle larger than a normal van (e.g. Motorhome or Lorry) please provide the competitor seeded number and the details and size of the service vehicle to **info@argyllrally.co.uk** no later than 5pm on Monday 15th June.

Competitors will be allocated a service bay upon arrival at the service area. Competitors that wish to service close to each other are advised to arrive at the service area at the same time. If you wish service next to specific crews please email info@argyllrally.co.uk no later than Monday 15th June with details of which car numbers wish to be located next to each other and we will endeavour to allocate spaces as requested wherever possible.

All trailers must be parked in the designated trailer park, not the service area. Please do not attempt to enter the service area with your trailer.

The service area will be open from 12:00 on Thursday 18th June. In previous years competitors have parked in Service Area C prior to the service area opening. The service area will remain open following the end of Leg 1, there is no Parc Ferme.
