INFORMATION NOTICE — RETURN FERRIES NADOR–ALMERÍA RALLYE DU MAROC · 4 OCTOBER

Good morning, dear competitors,

Baleària has confirmed that the two special ferries for the return journey from the Rallye du Maroc, sailing from **Nador to Almería on 4 October**, will depart at **23:00 and 23:59**.

Ferry allocation

Baleària will be solely responsible for assigning each vehicle to a ferry, according to the loading arrangements and available space on each vessel's vehicle deck.

Customs formalities and arrival at the port

Most teams will need to complete customs formalities, including having their **ATA Carnets** and **D17 documents—the trucks' Triptique documents—** stamped, as well as having their vehicles scanned by Customs.

With **more than 100 trucks and vans** expected to board, these formalities may take **over three hours**. We therefore recommend arriving at the **Port of Nador before 20:00**, allowing sufficient time to complete the procedures and prepare for boarding.

Collecting boarding passes

Participants who booked their crossing through the Organisation's agency must use **the same booking reference provided for the outbound journey**.

Boarding passes must be collected from the **Baleària office, located on the left at the entrance to the Port of Nador**.

Cabin allocation

Cabins will be allocated and keys handed out by the ferry company's staff at the **information desk on board each ferry**.

Journey from Zagora to Nador

Please plan your departure well in advance, bearing in mind that the **Zagora–Nador journey may take between 12 and 16 hours**.

Road conditions in the south and heavy traffic may slow your journey. Please drive carefully and allow enough extra time to reach the port on time.

See you at the Port of Nador.

Have a safe journey home, everyone!
