The Stewards heard evidence from the following persons:

Daniel Harper and Martin Cressey, with their 3 main points in respect of their Appeal against the Results of the Mull Rally 2024, being that:- No modifications to the SR's were posted which they felt should have been made in respect of the decisions by the CoC / No decision by the CoC was posted in relation to scrubbing the time penalties at TC6B / This decision by the CoC to scrub time penalties was not made with due process and consideration.

The Stewards decision is:

The Appeal has failed.

Reason(s) for this decision:

After hearing the appeal from Daniel Harper and Martin Cressey, the Stewards considered the information provided and decided that:-

- The CoC did not remove the penalty applied to car 2 at TC6B. This was a system applied penalty and the CoC took the decision to revert to the original intention to scrub all penalties for all competitors at this control.
- Whilst this decision to scrub all penalties at this control was not conveyed to all competitors at the time by bulletin, we do not consider this was necessary and did not disadvantage any competitor.
- The Stewards Decision regarding the Protest from car 5 Ford and Shanks, refers to the CoC decision regarding the RTC involving car 2. Whilst it was subsequently established that the RTC was not witnessed by the JoF, Katie Ross, this was immaterial as there was no dispute that the the RTC had taken place.
