The Stewards, having received a report from the FIA Technical Delegate (Doc 6.1), having summoned and heard the Competitor Representative, Mrs. Pauline BOTILLIER, have considered the following matter and determine the following:

Facts During pre-event scrutineering, the safety cage of car #419 was found without the markings related to the FIA Technical Passport (originally TT-25-656).

Offence: **Breach of Art. 8.3 of the 2026 FIA CCSR.**

Decision: **To impose a fine of 500 Euros on Competitor #419.**

In accordance with Article 12.8 of the 2026 FIA International Sporting Code, the payment of the fines must be done 48 hours of their notification. Fines may be paid by means of any mode of payment, electronic included (<https://fiafines.fia.com>). Any delay in making payment may entail suspension during the period the fine remains unpaid.

Reason: During the hearing, the Competitor Representative explained that the roll cage had been modified in accordance with an extension of the homologation in order to strengthen the car. During this process, the markings were removed. The car was presented at the pre-scrutineering in Santa Susanna in November, where new stickers were affixed. The Stewards also heard from the FIA Technical Delegate and the scrutineer concerned, who confirmed the Competitor's explanation. However, the Stewards remind the competitor that the markings must not be removed under any circumstances. The Stewards consider that an infringement of the above article has been committed and, after looking into precedents, decide to impose the above fine.

The Stewards decision was made based on 2026 FIA ISC Art. 11.7.1.a, Art. 11.7.3.a, Art. 11.7.3.f, Art. 12.4.1.c.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the 2026 FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules.
