The Stewards, having received video evidence from the FIA Sporting Delegate and having investigated the action that was shown, have considered the following matter, and after due deliberation determine the following:

Fact: The navigator of car #501 was not wearing his safety belts in the correct way for approximately 8 seconds during Selective Section No 2, although the vehicle was in motion.

Offence: Breach of Article 47.1 of the 2026 FIA CCRSR

Decision: To impose a time penalty of 80 seconds on Competitor Car No 501 for SS 2.

Reason: The Stewards reviewed on-board video footage showing that Competitor Car No. 501 stopped on SS2. The video evidence clearly shows that the navigator was not wearing his safety belts correctly for approximately 8 seconds during Selective Section 2, while the vehicle was in motion.

The Cross-Country Rally Sporting Regulations are very clear in Article 47.1 in saying: "**Whenever a vehicle is in motion on any type of Selective Section and until the stop control, the crew must wear homologated crash helmets, all required safety clothing and equipment in compliance with Appendix L Chapter III – Drivers' Equipment as intended by the equipment manufacturer and have their safety belts correctly fastened. (...)**"

Safety belts, together with the Frontal Head Restraint (FHR), are essential safety devices designed to protect the crew in the case of an accident. Compliance with these requirements is fundamental, as safety remains one of the FIA's primary concerns, and the FIA is committed to doing everything possible to protect, among others, the crew members.

The stewards find that there is a breach of the regulations, and that the crew gained a time advantage through non-compliant behaviour of the crew member. Therefore, a time penalty that also compensates for the time advantage is justified.

This decision is based on 2026 FIA ISC Art. 11.7.1.a, Art. 11.7.3.a, Art. 11.7.3.f, and Art. 12.4.1.h.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the 2026 FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules.
