

Date: **Thursday, 15th January 2026**

Time: **14.30 hrs**

Subject: **STEWARDS DECISION 29**

Document No: **2.30**

From: *The Stewards*

To: *Competitor No 224 Name: CENTURY RACING*

Crew: BRIAN BARAGWANATH / LEONARD CREMER

Number of pages: 1

Attachments: -

The Stewards, having received a report from the FIA Technical Delegate (Doc. 6.9), have considered the following matter, and after due deliberation determine the following:

Fact: Exceeding the maximum permitted turbo pressure. Number of overboosts exceeding the maximum permitted value by 30mBars/second or more and recorded on SS10: 1 overboost.

Offence: Breach of Article 285-5.1.3.2 of the FIA 2026 ISC Appendix J, and its appendices.

Decision: **To impose a reprimand on Competitor Car No 224.**

Reason: The overboost was confirmed through analysis of the recorded data and was counted by the monitoring system since the last reset of the counter. In this case, it must be noted that the overboost was recorded while the monitoring system was turned to back-up mode.

According to Art. 285-5.1.3.2 of the FIA 2026 ISC Appendix J, and its appendices:

"At all times, the following parameters must comply with the figures specified in Appendix I of the document " ULTIMATE T-C engines - Process to add an engine to the engine list & Monitoring process":

- *Maximum intake manifold air pressure*
- *Lambda minimum"*

The Stewards find that there has been a breach of the Regulations in this case. In determining the penalty, the Stewards took into consideration mitigating circumstances provided by the FIA Technical Delegate and decide that a reprimand is appropriate in this case.

The Stewards decision was made based on 2026 FIA ISC Art. 11.7.1, Art. 11.7.3.a and Art. 12.4.1.b.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the 2026 FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules.
