The Stewards, having received a report and request from the Clerk of the Course about a stage penalty imposed for SS4, having examined the different elements presented, having considered the following matter, determine the following:

Fact: Competitor No 319 was given incorrect information upon their arrival at the neutralization zone on SS4, resulting in the application of a Stage penalty.

Decision: **To grant the request of the Clerk of the Course and to allocate the time of 11:41:13 to Competitor Car No 319 for SS4.**

Reason: According to the report of the Clerk of the Course, and due to a mechanical issue, Competitor Car No 319 arrived very late at the neutralization zone on SS4. On arriving at the Neutralization Zone, the crew contacted the organization through the tracking device. According to the information and records provided, incorrect information was given to the competitor, which resulted in a Stage penalty.

Because of the principle of fair competition, it would be unfair to penalize Competitor No 319 with a Stage penalty. Considering the request made in the Clerk of the Course report, the Stewards decide to grant the request of the Clerk of the Course and to allocate the time **11:41:13** to Competitor Car No 319 for SS4.

This decision is based on 2026 FIA ISC Article 11.7.1.a

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the 2026 FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules.
