With regard to competition licences for drivers and navigators, and in line with FIA approval, the ITD1 licence is accepted under the following conditions:

1. **For TRK group vehicles, one member of the crew may hold an ITD1 licence, provided that it carries the mandatory notation “Not authorised to drive the vehicle”. The remaining two crew members must each possess the appropriate competition licence as per Appendix L of the FIA International Sportig Code (ISC), and a valid driving licence for the vehicle.**
2. **For ULT/CHG/SSV/STK groups vehicles, an individual may hold an ITD1 licence if they have completed an ASN/FIA-approved training program, subject to final individual approval by the FIA.**

8/ Supplementary regulations – Art. 11.4 Bivouacs and Service (updated)

(...)

REMOTE SERVICE ZONE

(...)

Only **all-terrain** light assistance vehicles (~~cars or vans~~ **cars, vans, 4x4 and 6x6 trucks**) will be authorised to leave the Bivouac and reach the RSZ. **Campers, motorhomes, semi-trailers and trailers must remain at the Bivouac.**
The number of service crew members is not limited.

9/ Supplementary regulations – Art. 11.7 – Safety Flag (updated)

See 2026 FIA CCRSR Art. ~~49.1.6~~ **8.5.3.**

Vehicles from categories ULT/STK/CHG/SSV must be equipped with a safety flag during:

- Stage 6
- Stage 10

10/ Supplementary regulations – Art. 11.18 Use of sunglasses (new article)

In consideration of the recently introduced wording of FIA ISC, Appendix L, Chapter III, Article 1.7, which states:

“Only FIA homologated accessories are authorised attached to the helmet. Only glasses or contact lenses for the sole purpose of correcting eyesight and figuring in the International Driver’s Licence are authorised.”

Having considered the possibility of extreme intensity of the sun and to provide clarity and certainty to competitors and officials for the duration of the event, the use of sunglasses is allowed when used solely to improve visibility under these bright conditions.
