3. FULL COURSE YELLOW (FCY) and SAFETY CAR (SC) PROCEDURES

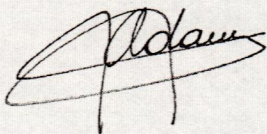

- 3.1. The FCY can be used during practice, qualifying or race. The instructions FCY will be given on the Team Radio and on the screens.
- 3.2. Waved yellow flags will be shown at all marshal posts and all cars must be at a constant speed of 80 km/h. Overtaking is forbidden and cars must proceed in single file. The board and flag will also be shown at the Line and at pit EXIT. If appropriate, double waved yellow flags will continue to be displayed at the post prior to the incident. The pit lane entry and exit will remain open.
- 3.3. In the case of a short FCY, to end the procedure the information « Restart on short notice » will be given on team radio. After a 5 seconds countdown on the team radio, the information "Green flag" will be given on the monitors and on the radio. FCY board will be removed and green flags will be shown at all marshal posts. It will also be shown at the Line and at pit EXIT.
- 3.4. An FCY period may be declared before the SC is deployed, except if the SC is deployed during the 3 first laps. The SC will enter the track during the FCY procedure to catch the leader. If necessary, it will overtake cars or will use a green light to signal to any cars between it and the race leader that they should pass. When the track will be cleared and the SC will be in front of the leader it will turn on its lights and the SC boards will replace the FCY. The cars must form up in single file behind the SC no more than five car lengths apart, overtaking remain forbidden until the cars pass the Line after the SC has returned to the pits.
- 3.5. During the SC procedure Pit Exit remain GREEN. When the SC will pass the START Line pit exit will be closed (RED lights). When the last car of the group behind the SC will pass pit exit it will be GREEN again.

4. TRACK LIMITS:

- 4.1. Drivers must use the track at all times. The white lines defining the track edges are considered.
- 4.2. Should a car leave the track for any reason, the driver may rejoin when it is safe to do so and without gaining any advantage. A driver will be judged to have left the track if no part of the car remains in contact with the track.
- 4.3. During the free practices the drivers will be warned and stopped, if necessary, lap times can be cancelled.
- 4.4. During qualifying: lap time will be deleted.
- 4.5. During the race, if you gain a position or any advantage by cutting give it back as soon as possible. Any car, which is suspected of gaining any sort of advantage from doing so, will be penalized.
- 4.6. The team will be warned on the timing monitors, the 2nd time the car will get a warning flag. After a final warning, At the 4th time the stewards can impose a 5 seconds penalty.
- 4.7. RESET TO ZERO after the mandatory pit window.

5. RACE

- 5.1. The start procedure countdown will be announced by means of BOARDS. Start when the red lights turn to green.
- 5.2. There will be two formation laps. The clock will start at the end of the first formation lap.
- 5.3. During formation lap NO weaving from T10. Start line up from T12. At the end of the formation lap at T14 cars must be properly lined-up and tightly grouped for the rolling start. At Pit entry the leading car will reduce the speed to 50 KPH. When the LC will leave the track, the leader will be in charge of the speed. He will slowly increase his speed to a maximum of 110 KPH at the moment of the start. You are to line up on the starting box lines. If the car is outside the line, it will be considered as a jump-start. The start speed will be controlled. Drivers are not allowed to overtake before they see the green light.
- 5.4. If there is a problem during the formation laps, the red lights will remain ON. Yellow waved flags will be shown all around the circuit. The pole man will be in charge of the speed. The start will be declared at the end of the first formation lap.
